This Notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

Omni Health, Shatika James, DNP, NP in Family Health PLLC, a New York professional limited liability company, doing business as Omni Health NP and Omnibodied NP (“the Practice”), is committed to protecting the privacy and security of your protected health information (“PHI”) in accordance with the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), the HITECH Act, and applicable New York State law.

1. Our Responsibilities

We are required by law to maintain the privacy and security of your PHI, provide you with this Notice of our legal duties and privacy practices, and notify you following a breach of unsecured PHI. We must follow the duties and privacy practices described in this Notice and provide you with a copy upon request.

2. How We May Use and Disclose Your Information

We may use and disclose your PHI for treatment, payment, and healthcare operations. This includes coordinating care, reviewing clinical information, billing services, quality improvement activities, and compliance with legal obligations.

3. Telehealth & Digital Services

Telehealth services are provided using secure, HIPAA-compliant technologies. While safeguards are in place, electronic transmission of information carries inherent risks. By engaging in telehealth services, you acknowledge and accept these risks.

4. AI-Assisted Clinical Tools

The Practice may use clinician-supervised software tools, including artificial intelligence-assisted systems, to support clinical documentation, data synthesis, quality improvement, and operational efficiency. These tools do not replace professional clinical judgment, do not make autonomous decisions, and are used in compliance with HIPAA and applicable data protection standards. PHI is not used to train general-purpose AI models without explicit authorization.

5. Your Rights

You have the right to inspect and obtain a copy of your medical records, request corrections, request confidential communications, receive an accounting of disclosures, and file a complaint if you believe your privacy rights have been violated.

6. Changes to This Notice

We reserve the right to change this Notice and make the new Notice effective for all PHI we maintain. Updated versions will be available upon request and on our website.

7. Complaints & Contact Information

If you have questions or wish to file a complaint, contact:
